

INTRODUCTION

An Educational Experience

In many countries, hockey is just a game, but to Canadians it's a thread woven into the very fabric of our society. The Hockey Hall of Fame is a museum where participants and builders of the sport are honoured and the history of hockey is preserved.

Through the Intermediate Education Program, students can share in the glory of great moments on the ice that are part of our Canadian culture. The Hockey Hall of Fame has used components of the sport to support educational core curriculum. The goal of this program is to provide an arena in which students can utilize critical thinking skills and experience hands-on interactive opportunities that will assure a successful and worthwhile field trip to the Hockey Hall of Fame.

The contents of the Intermediate Education Program are recommended for Grades 7-8.

Intermediate Education Program Curriculum Overview

The Hockey Hall of Fame's Intermediate Education Program was designed in conjunction with Ontario's Intermediate Curriculum to ensure that your students receive relevant, unique and fun lessons.

As a part of the **Geography** curriculum, students will be demonstrating an understanding of geographic inquiry; and will analyze, synthesize and evaluate data by applying a decision-making model. They will also demonstrate understanding of economic systems and factors that influence them.

In the Hockey Hall of Fame Education Program's **History** activities, students will demonstrate an understanding of factors contributing to change in societies; and describe and evaluate the effects of technology on Canadian society while locating relevant information using a variety of sources.

Students will produce media texts using writing and materials from other media; identify parts of sentences such as subjects, nouns, verbs, adjectives and adverbs, and will have their spelling skills tested to integrate the **Language** curriculum.

The **Math** curriculum is incorporated by having students identify, describe, compare and classify geometric figures. Students will construct and solve problems involving lines and angles, extend a pattern, complete a table, and write pattern descriptions. Furthermore, they will be applying knowledge of probability in sports and games of chance.

FAQ's

1. What are education group requirements?

Under this program, the group must be an organized class, with a teacher as group leader, from the public, separate or private school system.

Groups must have a confirmed reservation, preferably a minimum of 10 days in advance with the Hockey Hall of Fame Group Booking Department.

To book your class trip, please call (416) 360-7735 ext. 292, toll free at 1-888-501-9770, fax your request to (416) 360-1316 or email your request to groups@hhof.com. The following information will be necessary to confirm a group visit:

- Name and full address of school
- Name of teacher (group leader) and phone number
- Grade level of class
- Number of students and supervisors and/or volunteers in group
- One teacher/leader to a group of 5-8 students is the required ratio.*

2. What is the education group pricing breakdown?

Education rates (minimum 15 guests)	
General group	\$13.00
Senior group (65+ years)	\$11.00
Youth (4 years – 13 years)	\$8.00
Student (14 years – 18 years)	\$9.00

Adults with school groups receive one complimentary general admission for every 10 students. Additional adults pay a special of \$7.00 (elementary school group) or \$8.00 (secondary school group). Minor hockey teams and other youth group types are entitled to school group rates. Adults with these groups pay the general group rate of \$10.00.

**Prices include all applicable taxes and are subject to change without notice.*

3. What are the hours of operation?

Fall/Winter/Spring (except Christmas and March breaks)

Monday – Friday: 10:00 a.m. to 5:00 p.m.

Saturday: 9:30 a.m. to 6:00 p.m.

Sunday: 10:30 a.m. to 5:00 p.m.

Summer (last week of June) and holiday breaks

Monday – Saturday: 9:30 a.m. to 6:00 p.m.

Sunday: 10:00 a.m. to 6:00 p.m.

4. What will make the educational trip more enjoyable?

Allow a minimum of two hours for a visit. It is suggested that school groups spend half of the visit completing selected material and the other half experiencing hands-on interactive exhibits.

It is recommended that students work in groups of 5-8 plus a leader. Start student groups at different zones of the Hockey Hall of Fame. This will help traffic flow.

A pre-visit by the group leader is highly recommended. Teachers receive FREE access to the Hockey Hall of Fame when they present their Ontario College of Teachers membership card.

5. Method of payment for the field trip

Please have a group leader pay upon arrival by cash, school cheque or authorized credit card. Coinage will only be accepted if properly rolled.

6. Does the Hockey Hall of Fame have a coat check or lockers?

No, not available at this time.

7. What about lunch facilities?

Food cannot be brought into the Hockey Hall of Fame. Pepsi refreshment and snack machines are located in the Hall. There is a food court adjacent to the Hockey Hall of Fame. Recommendations for local restaurants that will accommodate school groups can be provided.

8. Are there other attractions close by?

Yes, the following attractions are located walking distance from the Hall:

- CN Tower
- Harbourfront
- Rogers Centre
- Eaton Centre
- Air Canada Centre
- Sony Centre
- St. Lawrence Market

NB: The Hockey Hall of Fame is a public facility for everyone to enjoy and we strongly suggest that the group leader take full responsibility for the conduct of their group, i.e. – walk, not run and keep voices at a moderate level.
