

HOCKEY HALL OF FAME EDUCATION PROGRAM

POST-VISIT ACTIVITIES

Activity 1: My Hockey Hall of Fame Ticket Stub

When you visited the Hockey Hall of Fame ~~you would have seen some ticket stubs on display, students were directed to a wall of ticket stubs through the scavenger hunt activity (if you did not participate in this activity, use the web as a resource for ideas).~~ The activity sheet that follows asks students to use their experience as inspiration to create their own ticket stub for the Hockey Hall of Fame.

Activity 2: Stained Glass

Another feature you saw at the Hockey Hall of Fame was the large stained glass dome that looms high above the Stanley Cup in the Esso Great Hall. This activity suggest you to make your own stained glass windows using ours as inspiration.

As the scavenger hunt activity pointed out, the stained glass at the Hockey Hall of Fame depicts symbols of both real and mystical creatures. Ask students to come up with a symbol that represents themselves (alternatively, ask them to come up with a symbol from their current social studies unit). Using black construction paper, cut out the frame for the project. Fill in the 'window' spaces using colourful pieces of tissue paper and white glue. Remember to keep it simple!

Activity 3: Be your own GM!

This activity asks students to make choices based around the idea that they have become a general manager for a brand new team. Using the visit to the Hockey Hall of Fame as inspiration, they will be asked about logos, colours, mascots, etc. The ideas listed on the sheet that follows can be easily expanded on or added to. Additional activities could include:

- Design your own championship ring
- Design your own dressing room
- Create a healthy eating plan for your players
- Create a skit to be used as a TV commercial

(Activity sheets on following pages)

Activity 3: Be your own GM!

Congratulations! You've just become the owner of a brand new sports team! In order to create your team, fill out the information below:

What type of team are you the owner of (for example: hockey, gymnastics, soccer)

In what city will this team play? Why did you choose this location?

Name three facts about this location:

1.

2.

3.

Every team needs to have a great name! What will you call your team?

You need to keep the fans entertained! What will your mascot be? What is its name?

Choose two to three colours for your team:
